

Carrot Soya Bean Agar Agar

Recipe: Holiday Fun!

You need:

For A:

- 1 packet agar agar powder
- 300ml carrot juice
- 160gm sugar
- 700ml water

For B:

- 1 packet agar agar powder
- 500ml soya bean milk
- 200 gm sugar
- 500ml water
- 5 pieces pandan leaves

To do:

1. Boil A and B
2. Pour 200 ml of A into a U-shaped mould
3. When semi-set, add in 200ml of B and let it set.
4. Continue with 150ml of A and when semi-set, add in 150ml of B. Do the same until the mould is filled. Let it set completely.
